SIXTH DIVISION

MINUTES of the proceedings held on May 2, 2018.

PRESENT:

HON. SARAH JANE T. FERNANDEZ..... Chairperson
HON. MICHAEL FREDERICK L. MUSNGI*..... Associate Justice
HON. MARYANN E. CORPUS-MAÑALAC**..... Associate Justice

The following resolution was adopted:

SB-15-CRM-0252 to 0279-PEOPLE vs. P/C INSP. RAUL D. PETRASANTA, ET AL.

This resolves the *Motion for Reconsideration (of the Order dated April 24, 2018)* filed by the prosecution on April 30, 2018, asking this Court to reconsider its April 24, 2018 Resolution, denying the prosecution's *Supplemental Motion to Amend Pre-Trial Order*.

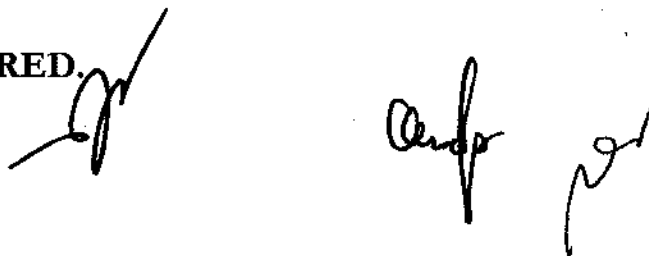

The prosecution asserts that there was palpable mistake in the inclusion of stipulation Number 3 entered into between the prosecution and accused Acierto during the Pre-trial, and moves for the exclusion of said stipulation from the Pre-trial Order.

The *Motion for Reconsideration (of the Order dated April 24, 2018)* is **DENIED** for being mere reiteration of the grounds raised in the *Supplemental Motion to Amend Pre-Trial Order*, and which were passed upon by this Court in its April 24, 2018 Resolution. Besides, there is nothing in the stipulation which limits the applicable procedural law to paragraph 5(1) of Standard Operating Procedure No. 13. What was stipulated by the parties, as stated in the Pre-Trial Order, is that:

- 3) Paragraph 5(1) of the Standard Operating Procedure (SOP) No. 13 – Licensing of Firearms Revised on 08 October 2008 – The procedural law that governs approvals for purchase and licensing of firearms – only provides that the requirements for licensing of regular licenses are the following:

** Per Administrative Order No. 058-2018 dated January 29, 2018, Special Member in view of the vacancy in the Sixth Division. Justice Corpus-Mañalac participated in the Resolution dated April 4, 2018.
