1. Corruption

It's a fact: Corruption undermines development, peace & security.
Corruption affects everyone, everywhere in one way or another.
Only in a world #UnitedAgainstCorruption can we ensure sustainable development for people, prosperity, peace, planet & partnerships. #UNCAC20

Corruption is NOT 🚫 "a way of life"!
It is a reprehensible crime wrecking the future of whole generations.
Every society, sector & individual benefits from uniting the world against corruption.
www.unodc.org/uncac20 #UNCAC20 #UnitedAgainstCorruption

What is #corruption?

- ▼ Bribery
- ▼ Trading in influence
- ▼ Abuse of functions
- ▼ Extortion
- ▼ Embezzlement

Corruption is the abuse of entrusted power for private gain.
Understanding corruption is important to develop smart responses #UnitedAgainstCorruption
#UNCAC20

☉ From education to the environment

☉ From business to sports

☉ From gender equality to access to justice

Corruption is undermining all areas of society's development.

190 States are committed to uniting the world against corruption. #UnitedAgainstCorruption
#UNCAC20

Corruption, conflict & instability are profoundly intertwined.
Corruption follows conflict but is also frequently one of its root causes.
Peace, stability & security are only possible in a world #UnitedAgainstCorruption.
www.unodc.org/uncac20 #UNCAC20

Corruption fuels conflict & inhibits peace processes by undermining the rule of law, worsening poverty, facilitating the illicit use of resources & financing armed conflict.
Uniting the world against corruption is critical for sustaining peace.
#UNCAC20 #UnitedAgainstCorruption

It's not only countries who need to unite & face the global problem of corruption with shared responsibility. Every single person - young & old - has a role to play in a world #UnitedAgainstCorruption by promoting resilience & integrity at all levels of society #UNCAC20

We all bear the costs of corruption

Political 🏠 it is an obstacle to democracy

Economic 🏠 it depletes national wealth

Social 🏠 it corrodes the social fabric of society

Environmental 🏠 it leads to loss in biodiversity

Everybody plays a role in ensuring a world #UnitedAgainstCorruption

- 🎓 Education & youth
- ⚽ Sport
- ♀ Gender
- 🏢 Private sector
- 🤝 Int'l cooperation
- ⚖️ Justice & democracy
- 🌳 Environment

are key dimensions for tackling corruption.

Uniting the world against corruption requires joint efforts of everyone. #UnitedAgainstCorruption #UNCAC20

The abuse of entrusted power for private gain can cost people their freedom, life & future. Corruption can be kept in check if governments, businesses & civil society unite in upholding transparency, accountability & integrity in a world #UnitedAgainstCorruption #UNCAC20

Corruption is an insidious plague with corrosive effects on society:

- ⚠️ Distorts markets
- ⚠️ Contributes to political instability
- ⚠️ Facilitates organized crime, terrorism & conflict

We need to be ► #UnitedAgainstCorruption to work towards development, peace & security #UNCAC20

💰 Trillions in procurement spending are lost to corruption each year.

UNODC is promoting a world #UnitedAgainstCorruption by providing technical assistance in:

- Prevention
- Criminalization
- Law enforcement
- Int'l cooperation
- Recovery & return of stolen assets

#UNCAC20

💰 \$89 billion is lost to corruption in Africa every year.

This money is urgently needed for:

- 🏥 Healthcare
- 📖 Education
- 💧 Clean water
- 🏗️ Infrastructure

Corruption affects us all. Together can we build a world #UnitedAgainstCorruption for development, peace & security. #UNCAC20

- ◆ Public trust
- ◆ Effectiveness of institutions
- ◆ Economic development
- ◆ National security

are all at stake if corruption is not effectively countered.

Preventing corruption requires an effort from the private, public & civil society sectors.

#UnitedAgainstCorruption #UNCAC20

10% of the world's wealth is hidden in offshore financial assets, preventing governments from collecting their fair share of taxes.

Corruption & lack of transparency are barriers to equal opportunities for all. UNODC supports countries to stand #UnitedAgainstCorruption #UNCAC20

The risk of collusion between government staff and bidders is high in urban infrastructure and public procurement.

Restoring public trust, mitigating corruption risks, and empowering the next generation to resist corruption is key in a world #UnitedAgainstCorruption. #UNCAC20

\$415 billion is estimated to be lost to fraud and corruption in the healthcare sector every year. Corruption denies the poor access to service delivery. A world #UnitedAgainstCorruption guarantees access to health care for all.

www.unodc.org/uncac20 #UNCAC20

Corruption destroys the social contract between citizens & State.

UNODC supports countries to meet their commitments to counter corruption, increase transparency, and tackle illicit financial flows to pave the way for sustainable development.

#UnitedAgainstCorruption #UNCAC20

Many everyday situations challenge integrity and ethical judgement, from skipping a line to using a position to gain undue advantage.

Addressing corruption in society is linked to the promotion of individual integrity. Everybody must stand #UnitedAgainstCorruption #UNCAC20

Standing #UnitedAgainstCorruption means:

- ◆ Everyone is empowered to challenge corrupt practices.
- ◆ Governments rule with integrity.
- ◆ The int'l community cooperates through effective global partnerships & frameworks.

Collective action is required to tackle corruption. #UNCAC20

a. Corruption and Sustainable Development Goals

Preventing corruption is crucial if the targets foreseen in the @GlobalGoalsUN are to be met. Strong commitments to a world #UnitedAgainstCorruption will help protect our environment, create jobs, achieve gender equality, and secure public services. #UNCAC20

It's no secret that the poor bear the brunt of corruption, negatively impacting:

- 📉 Income
- 🚫 Health, clean water & sanitation
- 📖 Education
- 🚫 Access to infrastructure & technologies

🗣️ #Humanrights & #genderequality

#UnitedAgainstCorruption can we end poverty #SDG1 #UNCAC20

#UnitedAgainstCorruption for people, planet & prosperity. Eliminating corruption is essential for the achievement of @GlobalGoalsUN #SDG16 on developing effective, accountable & transparent institutions at all levels.

www.unodc.org/uncac20 #UNCAC20

Corruption

- Is one of the biggest obstacles to achieving @GlobalGoalsUN
 - Fuels political instability
 - Increases inequality
 - Prevents the full realization of #humanrights & #genderequality
- The world must stand #UnitedAgainstCorruption to counter its consequences. #UNCAC20

Corruption stands in the way of achieving @GlobalGoalsUN.

We can only achieve #SDGs if every nation has strong, transparent & inclusive institutions, based on the rule of law & supported by the public. #UnitedAgainstCorruption
www.unodc.org/uncac20 #UNCAC20

To curb the global surge in wildlife trafficking, illegal deforestation & #crimesinfisheries, governments must scale up efforts to tackle corruption.
Let's build a world #UnitedAgainstCorruption to #EndWildlifeCrime & protect life on land & below water @GlobalGoalsUN #UNCAC20

A more inclusive society is a less corrupt society.

Including under-represented groups, esp. women & youth, in decision-making processes to curb corruption & progress towards achieving @GlobalGoalUN #SDGs is essential to #LeaveNoOneBehind. #UnitedAgainstCorruption #UNCAC20

Corruption increases food prices & levels of hunger.

When leaders abuse their power and steal funds earmarked for food, clean water, health and education, progress on all @GlobalGoalsUN #SDGs is halted. #UnitedAgainstCorruption for a world with zero hunger. #UNCAC20

Corruption stands in the way of @GlobalGoalsUN.

Int'l cooperation is key to combatting corruption.

The Implementation Review Mechanism of the UN Convention against Corruption #UNCAC20 provides an entry point for discussions on experience, success & challenges to form a strong framework for a world #UnitedAgainstCorruption

3. Justice and democracy

Tackling corruption relies on an independent judicial system and judges acting with integrity. A world #UnitedAgainstCorruption is only possible if judiciaries, judges, magistrates & court personnel stand firm against corruption in the justice sector. #UNCAC20

Corruption attacks the foundations of democratic institutions by distorting electoral processes, perverting the rule of law and creating bureaucratic quagmires which only exist for the soliciting of bribes.

In a world #UnitedAgainstCorruption democracy & justice prevail. #UNCAC20

Corruption threatens #humanrights.

A key prerequisite for safeguarding human rights is the presence of strong, resilient, independent & inclusive judicial systems. Only by preventing corruption in the justice sector can we ensure a world #UnitedAgainstCorruption. #UNCAC20

Good governance has no space for corruption. A world #UnitedAgainstCorruption demands that legal and political systems protect citizens' rights and liberties, maintain law and order, and encourage the effective functioning of the country. #UNCAC20

As recognized by the int'l community, corruption poses a serious threat to the rule of law & democracy #UNCAC20. Good governance, an independent judiciary, strong national oversight, and impartial enforcement systems are cornerstones of a world #UnitedAgainstCorruption.

The consequences of corruption are devastating, reflected in lack of basic services & loss of income, opportunities, education & jobs.

Failure to uphold anti-corruption compliance & oversight undermines public trust in democracy & institutions. #UnitedAgainstCorruption #UNCAC20

Corruption stands in the way of achieving @GlobalGoalsUN #SDG16.

For sustainable development every nation needs strong, transparent & inclusive institutions, based on the rule of law & public support for a world #UnitedAgainstCorruption
www.unodc.org/uncac20 #UNCAC20

Corruption is jeopardizing the rule of law, threatening democratic values and the institutions entrusted with upholding justice.

In a world #UnitedAgainstCorruption good governance is crucial to building trust in public bodies.
www.unodc.org/uncac20 #UNCAC20

The illicit acquisition of personal wealth can be particularly damaging to democratic institutions & the rule of law.

Public authorities & officials must uphold the highest values of ethics, integrity, transparency & accountability for a world #UnitedAgainstCorruption. #UNCAC20

A world #UnitedAgainstCorruption requires all 190 parties #UNCAC20 to uphold effective anti-corruption policies that reflect the principles of the rule of law, proper management of public affairs and public property, integrity, transparency, and accountability.

Corruption is an insidious plague that has a wide range of corrosive effects on societies through undermining democracy and the rule of law. In a world #UnitedAgainstCorruption States provide basic services ensuring equality and justice for all. #UNCAC20

Once betrayal of the public trust is no longer tolerated, the world is truly #UnitedAgainstCorruption. Core values such as honesty, respect for the rule of law, accountability and transparency in promoting development, make the world a better place for all. #UNCAC20

The rule of law is crucial for stable democracies, justice, and peace, as is the confidence of citizens in state institutions & their representatives. Good governance and the fight against corruption require oversight and safeguards. #UnitedAgainstCorruption #UNCAC20

Corruption is a driver of democratic decline. Uniting the world against corruption requires stopping illicit influence on social, economic and political affairs of democracies, contributing to polarization and mistrust. #UNCAC20 #UnitedAgainstCorruption www.unodc.org/uncac20

Corruption attacks the foundation of democratic institutions by

 Distorting electoral processes

 Perverting the rule of law

 Eroding citizens' trust in governments to meet their needs.

#UNCAC20 stands for a world #UnitedAgainstCorruption for democracy and justice.

4. Environment, biodiversity and climate

Tackling climate change & fighting corruption go hand in hand.

When authorities turn a blind eye to illegal deforestation & soil degradation, the impact of corruption on the climate is significant.

#UnitedAgainstCorruption can we save our planet. #UNCAC20

Corruption is a significant driver of climate change.

It facilitates waste trafficking & illegal deforestation, leading to biodiversity loss & ecosystem degradation. Uniting the world against corruption is vital for achieving climate goals. #UNCAC20

#UnitedAgainstCorruption

Crimes that affect the environment are often interlinked w/corruption.

They have far-reaching impact on security & health by destroying livelihoods & foiling climate adaptation strategies. We must unite the world against corruption to #endENVcrime

#UnitedAgainstCorruption #UNCAC20

By undercutting law enforcement efforts to investigate & prosecute wildlife crime, corruption undermines the conservation of endangered species. UNODC supports national parks in identifying & mitigating corruption risks for a world #UnitedAgainstCorruption. #UNCAC20

While countless species are driven closer to extinction, criminals make billions of dollars from the sale of protected wildlife & timber.

Countries need to unite against corruption to #EndWildlifeCrime and #EndForestCrime.

#UnitedAgainstCorruption #UNCAC20 #endENVcrime

Enabled by corruption, the destruction & degradation of the world's forests is continuing at an alarming rate.

The habitat of the majority of species on earth and the world's carbon sinks can only be saved

#UnitedAgainstCorruption. #UNCAC20 #EndForestCrime

Poaching & illegal wildlife trafficking are wrecking the natural world.

Numerous species are threatened by extinction. Once gone, they will never come back.

A world #UnitedAgainstCorruption is critical if we're to save endangered species &

#EndWildlifeCrime

#UNCAC20

Corruption undermines initiatives to alleviate the threat of climate change. During the #UNCAC20 anniversary the int'l community must place greater emphasis on strengthening anti-corruption commitments to mitigate climate change & #endENVcrime. #UnitedAgainstCorruption

Corruption is among the most detrimental drivers of climate change.

The issue of corruption facilitating climate change needs to be better understood and placed on the international agenda. Standing #UnitedAgainstCorruption everyone can play a role to

#endENVcrime. #UNCAC20

Corruption leads to nature degradation & undermines conservation efforts.

Preventing corruption in organizations entrusted with the protection of the environment and natural resources is key for preserving life on land & below water. #UnitedAgainstCorruption #UNCAC20

#endENVcrime

Wildlife crime is made possible through corruption when bribes are paid to falsify records or to ensure a shipment is not seized.

Uniting the world against corruption requires addressing this as an enabler of wildlife trafficking.
#UNCAC20 #UnitedAgainstCorruption

Standing #UnitedAgainstCorruption requires addressing this issue, which facilitates every aspect of wildlife crime, threatens the survival of wild species, robs communities of their resources & income, and undermines environmental protection & conservation efforts. #UNCAC20

The sheer scale & complexity of the global wildlife trade provides criminals w/ opportunities to break the law.

Since the adoption of #UNCAC20 States have become aware that all other efforts to combat wildlife crime will fail unless corruption is tackled.

#UnitedAgainstCorruption

Wildlife crime → illegal exploitation of the world's wild flora & fauna enabled by corruption.

UNODC supports wildlife management authorities to become advocates for stamping out corruption, addressing identified corruption risks & building a world #UnitedAgainstCorruption
#UNCAC20

Corruption is one of the #crimesinfisheries, rendering it highly profitable and undermining law & accountability. Strengthening law enforcement interventions aimed at identifying, investigating & prosecuting these crimes is crucial in a world #UnitedAgainstCorruption. #UNCAC20

To protect blue economies & those that work within them, fishing industries must become advocates for stamping out corruption. UNODC #RottenFish guide supports States to address corruption risks <https://bit.ly/2Sr13OW> #crimesinfisheries #UnitedAgainstCorruption #UNCAC20

Most countries play a role as source, transit, transshipment hub, or destination for illegal wildlife products.

In a world #UnitedAgainstCorruption everyone needs to raise awareness & be responsible travellers & consumers to #EndWildlifeCrime #UNCAC20

The illegal int'l wildlife forest & fisheries trade is estimated to be worth tens of billions of dollars.

Combating corruption as enabler of these crimes must be a priority in a world

#UnitedAgainstCorruption to #EndWildlifeCrime. #UNCAC20

Corruption facilitates wildlife crime:

 Bribing officials for info on patrol movements

 Obtaining permits to allow illegal trafficking of specimens to pass through checkpoints

 Ensuring illegal shipments are not inspected

#UnitedAgainstCorruption #EndWildlifeCrime #UNCAC20

UNODC helps to address corruption which

- facilitates every aspect of wildlife crime
- threatens the survival of species
- robs communities of livelihoods
- undermines environmental rule of law & governance

#EndWildlifeCrime #UNCAC20 #UnitedAgainstCorruption

Forest crime is highly lucrative and leads to deforestation and biodiversity loss. UNODC supports States to address corruption and strengthen legislation and criminal justice response to #EndForestCrime. #UnitedAgainstCorruption #UNCAC20

Corruption drives wildlife crime which pushes thousands of species to the brink of extinction. Strengthening integrity, increasing accountability & reducing opportunities for corruption are key pillars of a world #UnitedAgainstCorruption to #EndWildlifeCrime. #UNCAC20

Corruption strikes at the core of the fight against #crimesinfisheries by threatening effective regulation and crime prevention at every stage of the fisheries value chain. Combating crimes in the fisheries sector requires standing #UnitedAgainstCorruption. #UNCAC20

Illegal activities like corruption threaten the livelihoods of >10% of the global population who depend on the fisheries sector. UNODC's #RottenFish guide sensitizes authorities to corruption risks <https://bit.ly/2Qd89Rx>. #crimesinfisheries #UnitedAgainstCorruption #UNCAC20

Organized crime engages in illicit mining & trafficking in precious metals, taking advantage of the vulnerability of the supply chain to corruption & weak legislation & law enforcement. In a world #UnitedAgainstCorruption natural resources must be protected. #UNCAC20 #endENVcrime

1/3 of the waste generated globally is mismanaged. Tackling waste crimes requires increased efforts in combating linked criminal offenses such as corruption, extortion, document fraud, embezzlement & money laundering. #UnitedAgainstCorruption #endENVcrime #UNCAC20

a. Corruption Risk Management and combating crimes that affect the environment

Corruption facilitates crimes that affect the environment. UNODC supports wildlife, forest & fisheries authorities to assess & manage corruption risks within their operations. Only by being #UnitedAgainstCorruption can we prevent corruption in the global wildlife trade. #UNCAC20

Perpetrators of crimes that affect the environment take advantage of weak spots in the system. UNODC supports wildlife management authorities to become advocates for stamping out corruption & addressing identified corruption risks. #UnitedAgainstCorruption #UNCAC20 #endENVcrime

Crimes that affect the environment like trafficking in waste, minerals & precious metals are enabled by corruption. UNODC facilitates corruption risk assessments & supports the development of mitigation measures for authorities to stand #UnitedAgainstCorruption #UNCAC20

Building a world #UnitedAgainstCorruption for planet & climate entails combating corruption as it is the oil that lubricates the engine of illegal wildlife trade. UNODC supports wildlife management authorities to identify weak spots in the system posing corruption risks. #UNCAC20

Have you ever thought about weaknesses in public systems which may present opportunities for corruption? UNODC helps countries identify corruption risks & develop mitigation strategies tailored to the specific context & available resources. #UnitedAgainstCorruption #UNCAC20

5. Private Sector

Uniting the world against corruption requires companies to improve integrity in industries & supply chains by:

- ◆ Fostering a culture of integrity in value chains
- ◆ Investing in education
- ◆ Providing anti-corruption ethics & compliance training

#UNCAC20 #UnitedAgainstCorruption

The private sector has an important role to play in uniting the world against corruption. UNODC works with the private sector to strengthen its involvement in anti-corruption activities & level the playing field for businesses around the world.

#UNCAC20 #UnitedAgainstCorruption

Private companies have a responsibility to stand #UnitedAgainstCorruption in their corporate culture. By detecting and mitigating corruption risks, companies of all sizes strengthen brand value, increase business performance, and attract and retain talent. #UNCAC20

In a world #UnitedAgainstCorruption companies build capacity to comply with #UNCAC20 by

- ◆ Improving accountability & transparency in industries & supply chains
- ◆ Educating & empowering employees to report corrupt practices
- ◆ Promoting a culture of business integrity.

Stop corruption → Empower the next generation of business leaders to stand #UnitedAgainstCorruption by educating them on the risks of corruption & the int'l instruments guiding anti-corruption efforts to ensure a business environment in which corruption is not tolerated. #UNCAC20

6. Crisis recovery and public procurement

Emergency health & humanitarian crises create fertile ground for corruption to thrive

- ▼ Affect how quickly countries recover
- ▼ Endanger people's health, safety & livelihoods
- ▼ Hamper people's access to food, water & medical supplies

#UnitedAgainstCorruption #UNCAC20

Crises create opportunities for corruption to thrive.

Oversight & accountability measures must be established to ensure vast amounts of resources allocated for response & recovery reach qualified beneficiaries.

www.unodc.org/uncac20 #UnitedAgainstCorruption #UNCAC20

Corruption in times of crisis can take on various forms, such as embezzlement, preferential treatment, price gouging, unrecorded overpayments & trading in influence. Recovery plans must aim to reduce the risks of mismanagement & corruption. #UnitedAgainstCorruption #UNCAC20

Crises open loopholes for corruption and the world must be better prepared.

Stronger oversight around emergency support packages, open & transparent public procurement & mitigation of corruption risks guarantees the world recovers with integrity

#UnitedAgainstCorruption #UNCAC20

Effective anti-corruption measures ensure recovery with integrity from future crises

- Strong anti-corruption bodies
- Better emergency response oversight
- Open & transparent public procurement
- Enhanced private sector anti-corruption compliance

#UnitedAgainstCorruption #UNCAC20

Corruption leads to the diversion of funds & supplies needed to fight global crises.

To mitigate risks of hidden contracts, overpricing & collusion, governments must strengthen transparency & accountability in public procurement. #UnitedAgainstCorruption #UNCAC20

In a global crisis, emergency response measures can very quickly see corrupt behaviour become commonplace. States must develop & regularly update comprehensive emergency response plans with contemporary analyses of corruption risks in mind. #UnitedAgainstCorruption #UNCAC20

Risks of bribery, extortion & embezzlement are huge during crises.

UNODC supports States in preparing emergency response plans to prevent corruption in public procurement & the health sector & facilitating public participation in decision-making.

#UnitedAgainstCorruption #UNCAC20

The abuse of power for private gain has severe consequences for sustainable development & public welfare. Building strong procurement systems, incl. for emergency procurement procedures, is vital to curb risks of corrupting in times of crises. #UnitedAgainstCorruption #UNCAC20

7. Gender and Corruption

Corruption is one of the main bottlenecks for women's empowerment & prevents them from high level positions in politics & business. Promoting gender equality & ensuring equity in public life & service delivery are key aspects of a world #UnitedAgainstCorruption. #UNCAC20

Corruption limits women's access to education & health care. In a world #UnitedAgainstCorruption governments ensure effective and equal distribution of public spending, with a special focus on diversity, gender-inclusion & transparency. #UNCAC20

Education is key to tackling corruption & advancing female economic empowerment. In many countries, women & girls lack access to education, depriving them of knowledge essential to renounce corruption. A world #UnitedAgainstCorruption must prioritize access to learning. #UNCAC20

92% working in the informal sector in low-income countries are female.

In a world #UnitedAgainstCorruption women have a seat at the table where decisions are made & gender responsive budgeting to prevent women falling into poverty is applied. #UNCAC20 #UnitedAgainstCorruption

Impacting women and men differently, corruption:

- ✗ Excludes females in decision-making roles
- ✗ Limits economic power
- ✗ Bars educational opportunities

Gender must be truly mainstreamed within anti-corruption programming in a world #UnitedAgainstCorruption #UNCAC20

Corruption disproportionately impacts women.

Gender-sensitive whistle-blower reporting & protection systems are essential as the fear of reprisals & the level of confidentiality can negatively impact women's decisions to report corruption. #UnitedAgainstCorruption #UNCAC20

8. Empowering Youth Through Education

Youth & innovation are corruption's kryptonite.

- ✓ Demanding transparency & accountability
- ✓ Using new technology
- ✓ Building the integrity leaders of tomorrow

Empowered youth can be a driving force in uniting the world against corruption. #UNCAC20 #UnitedAgainstCorruption

30% of the world's population are children & youth. Engaging young people is critical in uniting the world against corruption.

No matter our age, we all have a part to play in preventing corruption by acting with integrity & making ethical choices #UNCAC20 #UnitedAgainstCorruption

Corruption steals from young people, depriving them of a prosperous future. It is essential to involve young people as critical agents of change to unite the world against corruption and allow them to live in safe, just and inclusive societies. #UNCAC20 #UnitedAgainstCorruption

Integrity, respect & fairness are values which guide every child's path in life.

In a world #UnitedAgainstCorruption the next generation of citizens must shape a culture of intolerance for corrupt practices & uphold justice and equality for all. #UNCAC20

1.8 billion people are 10 – 24 years old. Young people can revolutionize the way society views corruption. Empowering youth to resist corruption and including them in decision-making is a gamechanger in uniting the world against corruption. #UnitedAgainstCorruption #UNCAC20

<https://grace.unodc.org/> #UNCAC20

1.8 billion young people, among them future world leaders, need to be equipped with values and skills to help them renounce corrupt behaviours. UNODC's #GRACEinitiative seeks to involve integrity leaders of tomorrow in building a world #UnitedAgainstCorruption #UNCAC20

Corruption affects young people's ability to access education, quality health care, and employment. Enabling young people to create solutions for issues that affect them spurs the fight against corruption. <https://grace.unodc.org/> #UnitedAgainstCorruption #UNCAC20

As a source of creative ideas and drivers of changes in attitudes and behaviour, anti-corruption interventions must engage young people. Youth empowerment and education shape the values of future generations and reshape societal preferences #UnitedAgainstCorruption #UNCAC20

Education is the youth's shield against corruption. Through education young people adopt values that make it possible to build a fair & corruption-resilient society and to foster a culture that promotes respect for the rule of law & integrity. #UnitedAgainstCorruption #UNCAC20

Young people can turn the tide against the lack of integrity & accountability. In the year of the 20th anniversary of the UN Convention against Corruption #UNCAC20 let's ensure the involvement of youth in building a world #UnitedAgainstCorruption <https://grace.unodc.org/>

A new generation of leaders is calling for more inclusive & transparent decision-making. Transparency allows citizens to monitor that government resources are being spent responsibly & not lost to fraud, waste & abuse. #UnitedAgainstCorruption #UNCAC20

Corruption is not "a way of life"!

For people to renounce corrupt practices and build a culture of ethics & integrity, awareness of all aspects of corruption is necessary. Education is key for young people to have zero tolerance for corruption. #UnitedAgainstCorruption #UNCAC20

9. Fostering innovation and technology

Technologies & innovative solutions present new opportunities for

- Monitoring corruption
- Promoting transparency & accountability
- Improving efficiency & integrity of public services

The public procurement sector is particularly vulnerable to corruption. Leveraging technology, such as open data and data analytics, to improve public procurement transparency & accountability can help curb corruption risks to build a world #UnitedAgainstCorruption #UNCAC20

Technology & innovation are essential anti-corruption tools for fostering transparency & accountability of public institutions. Young, tech-savvy people can help unite the world against corruption by finding creative solutions to tackle corruption
#UNCAC20 #UnitedAgainstCorruption

Using new & innovative technological solutions can help prevent & combat corruption.

☑Ensures transparency in awarding contracts

☑Supports reporting of misconduct

☑Guarantees efficiency in distributing funds

#UnitedAgainstCorruption #UNCAC20

The use of innovative technologies can help keep corruption in check by

◆ Simplifying administrative procedures

◆ Boosting transparency in the distribution of public funds & awarding contracts

The public sector stands #UnitedAgainstCorruption by using new technology #UNCAC20

Public procurement in sectors such as telecommunications or infrastructure is vulnerable to corruption in any country. In a world #UnitedAgainstCorruption countries more and more rely on e-procurement platforms as a step to increase transparency. #UNCAC20

Corrupt behaviour can quickly become commonplace → prevention is key.

Enhanced oversight, transparent bidding processes & making use of technological aid to better manage large quantities of financial resources curbs corruption #UnitedAgainstCorruption #UNCAC20

10. Cooperating across borders to prevent and counter corruption

- Cross-border corruption
- Foreign bribery
- Other illicit financial flows

In a world #UnitedAgainstCorruption States need to cooperate internationally and work collaboratively across sectors to prevent and counter corruption and economic crime. #UNCAC20

Corruption is a global problem which affects everyone, everywhere.

Effectively curbing corruption requires

- ✓ Strengthening int'l cooperation
- ✓ Tackling linkages with other forms of crime
- ✓ Denying safe havens for the corrupt

#UnitedAgainstCorruption #UNCAC20
